## Introduction

In this short introduction to your 2-page abstract for *Acoustofluidics 2021*, you should briefly introduce the context of your study. Describe the aim of the work, and mention whether this is an experimental and/or theoretical and/or numerical study. A few references to important prior work in the literature could be given [1,2]. End by highlighting the most important results.

## Length and formatting of the abstract

An abstract for *Acoustofluidics 2021* is limited to two A4 pages with 2-cm-margins on all sides, and written in font size 11 pt. For uniformity of the abstract book, please use the abstract templates for *Word* or *Latex* provided at the conference website <https://www.acoustofluidics.net>.

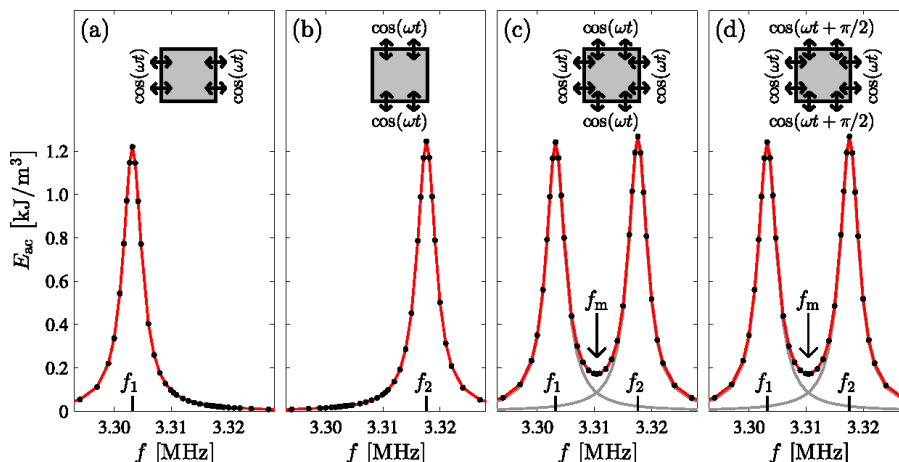

The abstracts for *Acoustofluidics 2021* are limited to two pages. If a longer abstract is submitted, the extra pages will be discarded and only the first two pages are submitted to the scientific committee for review. All abstract will be reviewed by at least two reviewers.

In terms of contents, the abstract should contain a *Title-Authors-Affiliation* section in the form and style defined by this template, then a section entitled *Introduction* as described above, followed by any number of *main sections*, and ending with two sections entitled *Conclusion* and *References*. Besides these few rules, no further restrictions apply.
